I Want to protect people.  
Like you do.

Very well.

Prepare yourself,  
my son.

You're ready.

My name is David.

Me and my dad are ninjas. We spy on criminal organizations and report our findings to the police.

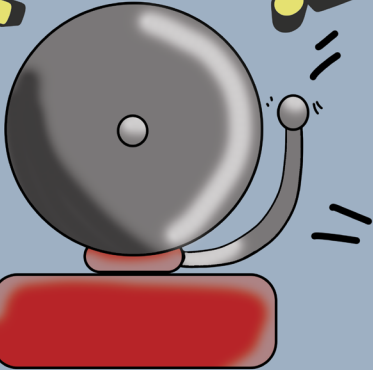

We get compensated for it, but we aren't common knowledge to the public. We stay secret, as ninja should be. Only a select few know about us.

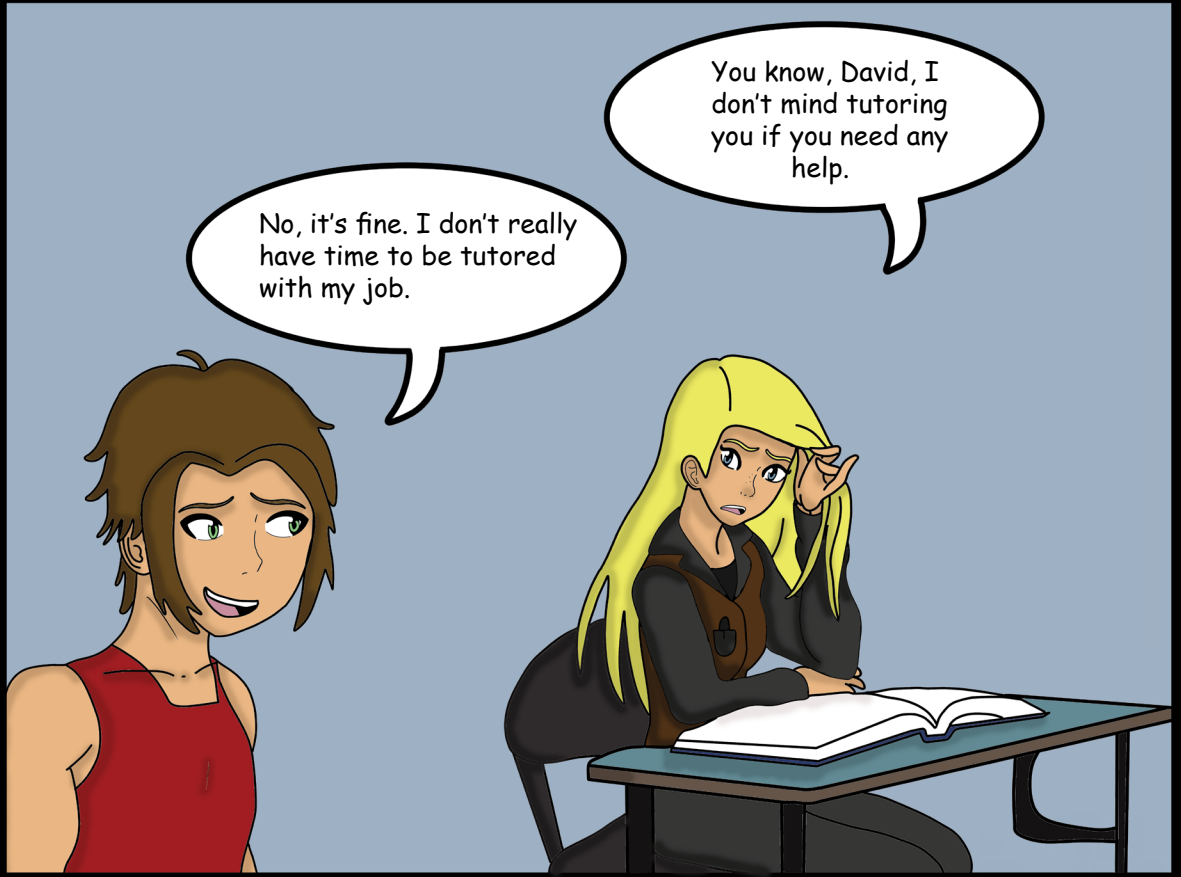

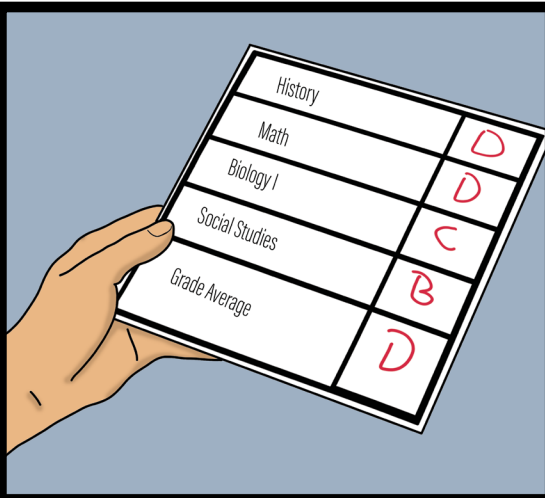

I'm not average, but the problem is, I'm still a kid. And right now, school's on my mind more than ninjutsu.

**RING!**

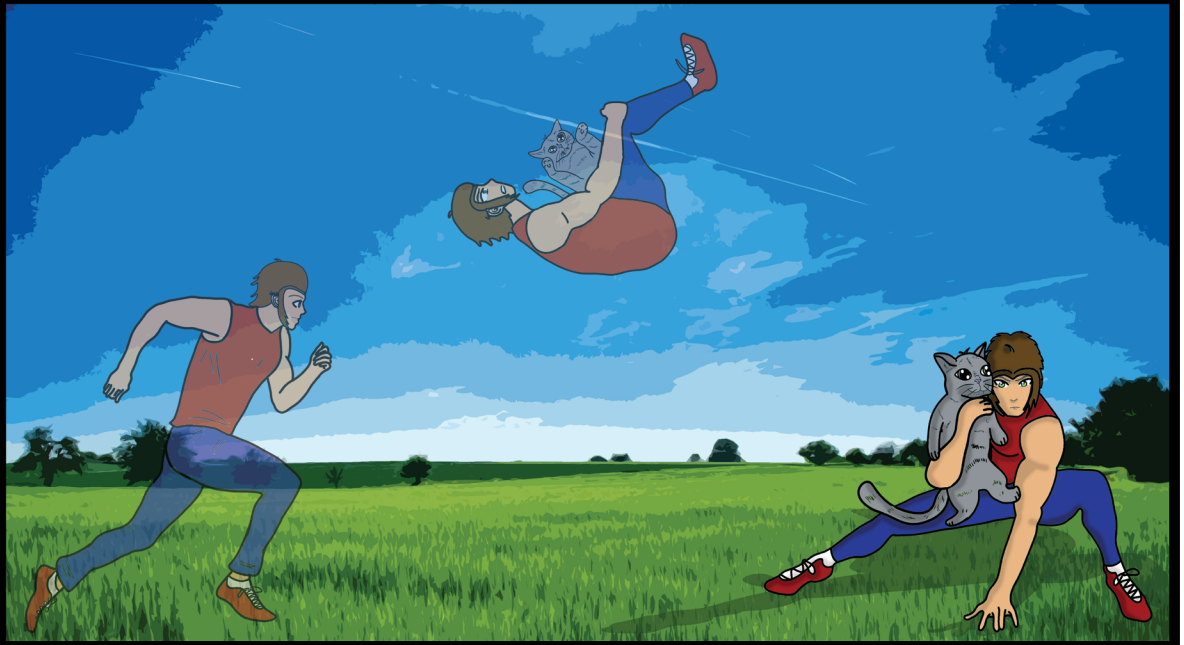

David remembers...

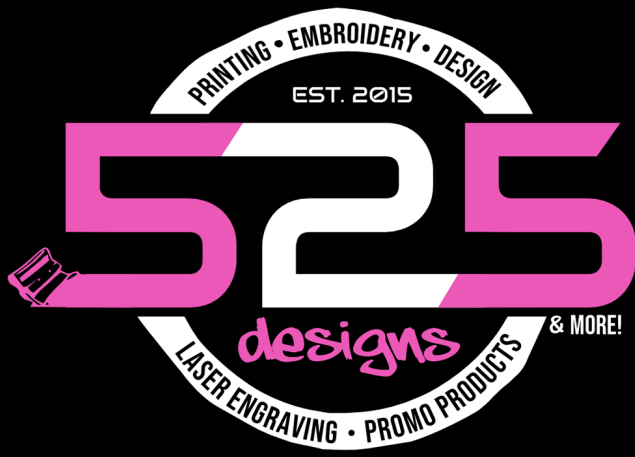

Clumsy? No. What about that time you saved my cat?

David also remembers...

Um, look, I gotta go.  
I'll catch you guys  
later?

See ya, bro.

Man, I have to do something  
about that D. I would study  
more, but Sensei and I have  
a stakeout tonight. I just  
can't balance school and  
being a ninja! Well... If  
ninjitsu got me into this  
mess, then ninjitsu will get  
me out.

The answer sheet.

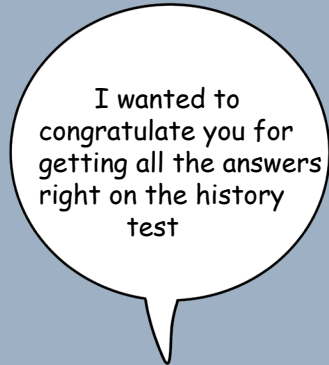

The next day...

Hey, David

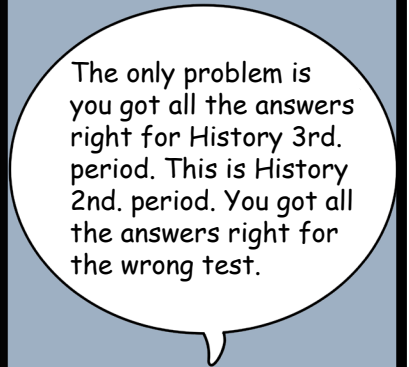

Yes, Mr. Miller?

I wanted to congratulate you for getting all the answers right on the history test

Oh, thank you...

The only problem is you got all the answers right for History 3rd. period. This is History 2nd. period. You got all the answers right for the wrong test.

Oh... I'm sorry... I shouldn't have cheated.

David, you're a smart kid. Use your gifts for good. Not this. Now get outta here. You can retake the test tomorrow.

Thank you, Mr. Miller!

Yeah...

He's right. I can't abuse my ninjitsu. For one, cheating is wrong. Second, if I got caught dressed like a ninja, I could've revealed me and Dad's identities, and we could've been in a lot more trouble.

...Right now, I just need to use my ninjitsu to protect my friends and family.

## NINJA in SNEAKERS:

...is an action/comedy comic series following a young ninja named David. Ninja in Sneakers is partnered with Evan Dixon Designs with the goal to produce family-friendly entertainment centered around Biblical values, along with strong characters and moving stories. Our mission is to produce the entertainment you want to see without the secular agenda that Hollywood keeps pushing. We want to change the entertainment industry for the better. We will deliver content to you and your family based on Christian standards, rather than the propaganda that secular media keeps shoving our way. Our content will have no excessive violence or gore, and no swearing or inappropriate sexual content. We will produce a moving story that is safe for all the family to read.

Ninja in Sneakers will read like a TV series, with each volume functioning like an episode. Season 1 will have 12 episodes, and the comic you're holding now is Volume 0, our trailer or springboard of what's to come. We are currently prepping Volume 1, the next episode of Ninja in Sneakers. This one will be full length, and carry on the story.

If you are interested in helping produce clean entertainment for you and your family as well as helping with the development of Ninja in Sneakers, there are multiple ways you can get involved:

We are selling ad spots to help fund the art and printing of Volume 1. Reach out to me on the contact form on our website at [ninjainsneakers.com](http://ninjainsneakers.com).
